

CONSENT & AUTHORITY

We will provide only the services agreed with you in writing. Work outside the agreed scope may require a separate fee.

You must provide complete, accurate and timely information and check documents prepared in your name before submission.

I authorise A&N to use information reasonably necessary for the agreed service and, where the relevant body accepts it, to communicate on my behalf within the agreed scope. This does not replace an official HMRC/DWP/council/tribunal authorisation.
